Dear Minister:

I am pleased to submit for your consideration the Sixteenth Annual Report of the Civil Legal Services Special Operating Agency for the fiscal year ending March 31, 2011.

The results of the 2010/11 fiscal year indicate that Civil Legal Services (CLS) has operated successfully and effectively by focusing on client service. The results also indicate that the advantages of SOA status, including the flexibility to hire staff as required to provide service levels appropriate to client demand, the ability to plan on a long term basis, and the ability to acquire equipment and supplies that support effective operation and promote a good working environment, are essential to CLS sustaining the provision of high quality legal services to its clients and in recovering the full cost of its operations.

The Advisory Board is pleased with the continued success of CLS and encouraged by the commitment of its employees and the support of its clients.

All of which is respectfully submitted,

PROFILE OF CIVIL LEGAL SERVICES

Civil Legal Services

The role of Civil Legal Services ("CLS") flows from the constitutional and statutory¹ responsibilities of the Minister of Justice as the Chief Legal Advisor to government and the guardian of the public interest. Acting pursuant to government policy, Civil Legal Services is responsible for providing a full range of high quality legal services, on a cost recovery basis, to its clients, namely the Government of Manitoba, the government's agencies, boards and committees and some Crown corporations.

Special Operating Agency Status

CLS remains a branch within the Department of Justice of the Province of Manitoba and is accountable to the Deputy Minister and Minister for operational and financial performance. As a special operating agency, CLS operates outside of the Consolidated Fund and under the Special Operating Agencies Financing Authority ("SOAFA"), which holds title to CLS's assets, provides financing for operations and is responsible for CLS's liabilities. Accountability is supported by CLS's compliance with its Operating Charter, transfer agreement, management agreement, applicable General Manual of Administration policies and *The Special Operating Agencies Financing Authority Act* ("The SOAFA Act").

The increased management authority and more rigorous planning and reporting requirements afforded by special operating agency ("SOA") status have assisted CLS in sustaining the provision of high quality legal services to its clients.

¹The statutory basis for the Minister's responsibility is set out in sections 2 and 2.1 of *The Department of Justice Act*, C.C.S.M. c. J35.

MISSION, OPERATING PRINCIPLES AND CRITICAL SUCCESS FACTORS

Mission of CLS

CLS's mission is to provide timely, high quality, helpful, efficient and cost-effective legal services that meet the needs of its clients, namely, the Province of Manitoba and the province's agencies, boards, commissions and those Crown organizations to which CLS provides legal services.

Operating Principles

CLS's mission and goals are supported by the following operating principles:

- service is customer focused
- service is cost-effective
- a commitment to the highest standards of service

Critical Success Factors of CLS

Factors critical to the success of CLS are:

- providing timely, high quality, helpful, efficient, cost-effective legal services that meet the needs of its clients;
- determining its effectiveness in meeting its clients' needs;
- identifying better ways to meet its clients' needs for legal services;
- improving communication between CLS and its clients and communication within CLS;
- improving job satisfaction; and
- developing means to assist staff to work as effectively as possible to satisfy changing client needs and to make adjustments to deal with increasing work loads, deadlines and the pressure of reduced resources.

COST RECOVERY BY CIVIL LEGAL SERVICES

On April 1, 1992, CLS became the first government legal services office in Canada to recover the cost of providing legal services to its clients.

On April 1, 1995, CLS commenced operation as a special operating agency.

In fiscal year 2010/11, clients were billed at the rate of \$158.00² per hour for services provided by CLS counsel, being the amount required to cover all of CLS's costs and break even. All of CLS's costs are covered by this hourly rate, including salaries, operating costs (including rent) and employee benefits (including pension benefits).

The CLS cost recovery system operates in a fashion similar to billing systems used by private law firms. Time spent by counsel in providing services is billed in increments of one-tenth of an hour. Each counsel keeps a daily record of time for services provided, indicating the client for whom the work was performed, the file on which work was performed, a brief description of the service provided and the amount of time expended. In fiscal year 2010/11, clients were provided with detailed statements of account showing the services provided on each file on a monthly basis.

2

| Year | Hourly Rate |
|-------|-------------|
| 95/96 | \$97 |
| 96/97 | \$97 |
| 97/98 | \$97 |
| 98/99 | \$97 |
| 99/00 | \$101 |
| 00/01 | \$105 |
| 01/02 | \$123* |
| 02/03 | \$126 |
| 03/04 | \$129 |
| 04/05 | \$133 |
| 05/06 | \$137 |
| 06/07 | \$137 |
| 07/08 | \$148** |
| 08/09 | \$151 |
| 09/10 | \$158 |
| 10/11 | \$158 |

*In 2001/02, CLS increased its hourly rate by \$4.00 to \$109.00 per hour for services provided by CLS counsel. The rate of \$109.00 per hour made no provision for increased salary costs. Effective November 1, 2001, CLS increased its hourly rate to \$123.00 per hour to cover the increased salary and benefit costs resulting from the arbitration award for the Manitoba Association of Crown Attorneys (MACA).

**Similarly, in 2007/08, CLS maintained an hourly rate of \$137.00 for part of the fiscal year. The rate of \$137.00 per hour made no provision for increased salary costs. Effective October 1, 2007, CLS increased its hourly rate to \$148.00 per hour to cover the increased salary and benefit costs resulting from the new collective agreement with MACA.

LEGAL SERVICES

CLS Services

CLS provides a full range of legal services in the following areas:

- Aboriginal Law
- Access to Information and Privacy Law
- Administrative Law
- Civil Litigation
- Constitutional Law
 - assisting the Constitutional Law Branch in some cases involving the application of the *Canadian Charter of Rights and Freedoms* and in Aboriginal self-government issues
 - providing advice on the constitutional division of powers and taxation issues
- Contracts and Agreements
- Conveyancing
- Corporate and Commercial
- Information Technology
- International Law
- Legal Opinions
- Legislative Review and Policy Development (which occasionally includes drafting legislation)

Use of Outside Counsel

CLS provides most, but not all, civil legal services to government and its agencies. In appropriate circumstances, at the request of a client, outside counsel is retained by the Department of Justice, through CLS.

The current policy respecting the circumstances when outside counsel are retained provides considerable flexibility in meeting the clients' needs. At the request of a client, the Department of Justice, through CLS, will continue to retain outside counsel on a case by case basis where:

- (a) the type of legal service required involves a degree of specialization which is not ordinarily available within CLS;
- (b) the nature of the matter creates a conflict of interest for government legal counsel;
- (c) it is more cost-effective to retain outside counsel; or
- (d) the matter is of such magnitude that it would not be possible for CLS to provide the services while continuing to meet the needs of other clients.

STRUCTURE OF CIVIL LEGAL SERVICES

Staff

As of March 31, 2011, CLS staff consisted of:

- 1 director
- 33 legal counsel (*31 in regular positions and 2 in term positions*)
- 1 administrative officer
- 19 administrative assistants (*18 in regular positions and 1 in a term position*)
- 1 financial officer
- 1 accounting clerk
- 2 articling students

CLS supports flexible work arrangements, including job sharing, part-time work arrangements and flexible hours, to accommodate the balancing of career and family. During 2010/11, two legal counsel and five administrative assistants worked in varied work arrangements.

Key Personnel

All members of CLS are key personnel and are committed to using their best efforts to advance the CLS mission of providing timely, high quality, helpful, efficient and cost-effective client-focused services. The provision of legal services requires a strong knowledge of the law and government issues as well as a high degree of collaboration, cooperation and consultation among members of CLS and with other counsel in the Department of Justice. All members have demonstrated these skills. They have also worked extremely hard to meet the service and operational goals of CLS.

Members of CLS are encouraged and given support to upgrade their skills.

Organization of Counsel

Legal counsel are divided into four teams, each headed by a team leader.

One team is designated as the litigation team and the members of this team perform most of the CLS litigation work. Litigation coming into the office is generally assigned to counsel by the litigation team leader. The second team consists of counsel whose area of practice is primarily corporate, commercial and information technology law. The third team, the Crown law team, consists of counsel who provide a wide range of legal services, including in the area of access to information and privacy. The fourth team of counsel practice primarily, but not exclusively, in the field of Aboriginal law and resource law.

The only legal position dedicated to management is that of Director. All counsel, including the Director, provide legal services to clients. Most counsel are assigned to provide legal services to one or more client departments or agencies. The larger clients are served by more than one counsel.

Administration

The day to day operations of CLS are managed by the Director, who reports directly to the Deputy Minister of Justice.

Within CLS, the "Action Committee" deals with administrative and other matters affecting its operations. The Action Committee consists of the Director, six legal counsel, the Financial Officer, the Administrative Officer and two administrative assistants and generally meets on a quarterly basis.

All members of CLS are expected to do what is necessary to meet client needs. They are given the information and authority needed to provide clients with timely and appropriate services.

ADVISORY BOARD

The Director provides plans and reports to the Advisory Board, established under the CLS Operating Charter, for review and consultation. The Advisory Board members are appointed by the Minister of Justice and the Board is chaired by the Deputy Minister. The Board's role is to provide advice to CLS on its direction, the provision of services, its structure and on its mandate, business practices and financial reporting requirements.

As of March 31, 2011 the members of the Advisory Board were:

CIVIL LEGAL SERVICES ORGANIZATION CHART 2010/11

As at March 31, 2011

SUSTAINABLE DEVELOPMENT

In December 2002, in accordance with Manitoba's Sustainable Development Procurement Guidelines, an Organizational Action Plan for the Department of Justice was developed. CLS adopted the Action Plan of Justice and implemented the goals that were applicable to its operation.

All CLS employees have worked toward the common objective of realizing the Province's sustainable development goals. The use of duplex printing and double-sided photocopying to reduce paper consumption, and participation in recycling programs were common practice in 2010/11. When feasible, CLS purchased and used environmentally preferable products and services, e.g. recycled paper and recycled toner cartridges for printers and fax machines.

PERFORMANCE INDICATORS AND ACHIEVEMENTS

In the 2010/11 CLS Business Plan, CLS established the following performance indicators for the year which set achievement levels for CLS.

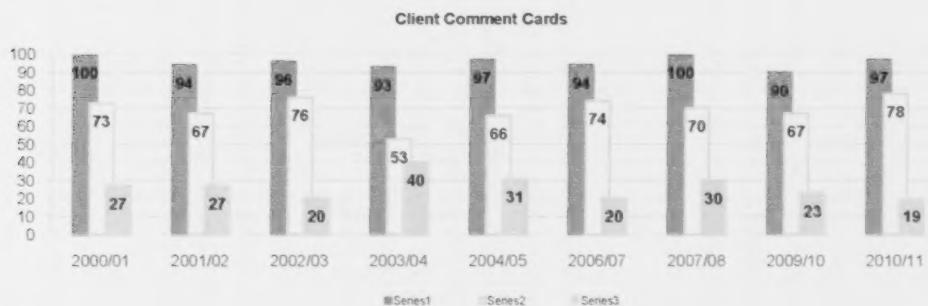

Client Satisfaction

Performance Indicator: Meetings with clients to discuss service.
Performance: Meetings completed.

Over the 2010/11 fiscal year, the Director of CLS met with Deputy Ministers and/or representatives of CLS's client departments and representatives of its Crown corporation clients to discuss the commitment of CLS to providing client-focused, high quality services; the services provided and the benefit of those services to the client; the cost-effective nature of the services; and client concerns and issues.

Performance Indicator: Use Client Comment Cards to regularly solicit client feedback as to their level of satisfaction.
Performance: Client Comment Cards distributed.

Since March 1997 CLS has been sending out Client Comment Cards on a quarterly basis to clients in order to obtain ongoing feedback. The feedback continues to be positive in 2010/11, with 97% of clients responding to the Client Comment Cards indicating that they were satisfied or more than satisfied with the services provided. (Client Comment Cards were not sent out in 2005/06 or in 2008/09 as Client Satisfaction Surveys were conducted).

Performance Indicator: Review of Service Standards.
Performance: Service Standards reviewed.

The CLS Service Standards were established in 1995/96, and have been reviewed regularly. Service standards are needed to ensure client satisfaction with the services provided and to assure the ongoing maintenance of a high standard of service delivery. CLS Service Standards are designed to ensure that CLS will continue to provide clients with a service which they value by providing a measure by which the quality of the legal services provided by CLS may be judged by those receiving the services (the client) and others, and by providing the staff of CLS with objective standards to be observed in carrying out their responsibilities.

There was nothing in the feedback from clients in 2010/11 to suggest that any amendment was required in the CLS Service Standards. Accordingly, CLS determined that no change to the Standards was necessary.

Performance Indicator: Publish three information bulletins.
Performance: Three information bulletins published.

In order to inform its clients on significant legal issues and related matters of interest, CLS published three Information Bulletins in 2010/11:

1. *Summary of Manitoba Government Bills: 4th Session, 39th Legislature*
2. *Letters of Intent and Memorandums of Understanding*
3. *Report on the Work of the Uniform Law Conference of Canada in 2010*

To achieve the widest possible distribution of its Information Bulletins across government, CLS posted these and other recently published bulletins on the Justice Intranet.

Performance Indicator: *Educational seminars for clients on current legal issues and developments.*

Performance: *Members of CLS were directly involved in providing or presenting at a variety of seminars.*

CLS counsel were involved in providing a number of seminars, presentations and training sessions, including the following:

| Seminars/Presentations and Workshops/Training Sessions | |

Job Satisfaction

Performance Indicator: Focus on use of CLS Annual Staff Review Process.

Performance: Staff reviews conducted.

Implemented in 1997/98, the review process with respect to the members of CLS is intended to facilitate achieving the Mission of CLS and to contribute to the benefits identified as flowing from the Review Process, including: improving communication within CLS, clarifying roles and expectations, improving job satisfaction, assisting with career planning and training, and assisting the members of CLS to work as effectively as possible.

Fiscal Performance

Performance Indicator: To recover the cost of operations.

Performance: CLS recovered the cost of operations with a surplus.

Performance Indicator: To meet daily average billable hour target of 6.0 hours per billable day over the year.

Performance: Target exceeded.

The daily average billable hour target per lawyer of 6.0 hours per billable day during 2010/11 was exceeded and CLS recovered the cost of its operations. These results reflect a high level of productivity on the part of the members of CLS.

Performance Indicator: To make a revenue sharing payment as directed.

Performance: CLS made a revenue sharing payment of \$250 as directed.

As directed by Treasury Board, CLS paid quarterly revenue sharing payments totaling \$250 in 2010/11.

PERFORMANCE MEASUREMENT

Performance measurement outcomes for staffing, client service, client satisfaction and cost savings are attached as Appendix A.

Cost Effectiveness

(In Thousands)

Annual Cost Savings

The cost recovery for legal services was introduced as a budget reduction measure. Unlike the approach taken with respect to the recovery of rental costs by Government Services, the client departments of CLS were not given any additional funding to cover the cost of legal services. This means that the amount charged each year to each client represents a net reduction in the client budget and an on-going budgetary savings to government.

Following this approach, the total savings from April 1, 1995, to March 31, 2011, are \$73,672.

Net Income

As CLS operates very cost effectively, such that each year it has recovered an amount that exceeds its annual operating costs, the difference between the dollar value of service provided each year and the cost to government of CLS's operations in that year in effect is another way of calculating a cost savings as those funds are collected by CLS from clients but not expended. Looking at savings in this fashion, the annual net income of CLS each year could be considered to be a government cost saving.

Total savings to March 31, 2011, are \$4,149.

Revenue Sharing

A third way of calculating cost savings to government would be to include revenue sharing payments from the retained earnings of CLS paid to government. In 1998/99, CLS made a \$400 revenue sharing payment to the government and in 1999/2000, CLS contributed \$500. In 2000/01, CLS was directed to budget for a \$500 payment towards revenue sharing. No revenue sharing payment was required for 2001/02. CLS was directed to submit revenue sharing payments in the amount of \$200 in each fiscal year from 2002/03 to and including 2008/09. In addition, CLS agreed to make an additional revenue sharing payment of \$50 in 2005/06. In 2009/10 and 2010/11, CLS was directed to budget for and submit a \$250 payment towards revenue sharing.

Total savings to March 31, 2011, are \$3,350.

THE PUBLIC INTEREST DISCLOSURE (WHISTLEBLOWER PROTECTION) ACT

Any disclosures of wrongdoing received by Civil Legal Services SOA pursuant to *The Public Interest Disclosure (Whistleblower Protection) Act* will be reported in the annual report of Manitoba Justice. For further information, please refer to the 2010/11 annual report of Manitoba Justice.

Net Income

CLS's net income for the 2010/11 fiscal year is \$89 (63.1%) over budget, which is attributable to:

- (a) CLS's ability to use its staffing flexibility to provide a level of service appropriate to client demand;
- (b) a high level of productivity on the part of the members of CLS; and
- (c) strong demand for legal services.

Total Expenses

Total expenses for CLS to March 31, 2011, are \$62 (1.0%) under budget. This is mainly attributable to:

Desktop Management Initiative

Desktop Management Initiative is \$18 (9.6%) below budget.

Travel

Travel costs are \$19 (50.0%) below budget, attributable to a decrease in out of province travel and a proportionate decline in the costs associated with travel including air fare, hotel, and food and beverage costs.

Wages and Benefits

Wages and Benefits are \$23 (0.4%) below budget, resulting from:

- (a) CLS staff participating in the Voluntary Reduced Work Week Program;
- (b) secondments of Crown counsel; and
- (c) administrative assistant on leave of absence.

INDEPENDENT AUDITORS' REPORT

To the Special Operating Agencies Financing Authority of
Civil Legal Services

Report on the Financial Statements

We have audited the accompanying financial statements of Civil Legal Services, an Agency of the Special Operating Agencies Financing Authority, Province of Manitoba which comprise the balance sheet as at March 31, 2011 and the statements of income, comprehensive income and retained earnings and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of Civil Legal Services as at March 31, 2011, and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

1. Nature of organization

The role of Civil Legal Services (the "Agency") flows from the constitutional and statutory responsibilities of the Minister of Justice as the Chief Legal Advisor to government and the guardian of the public interest. Acting pursuant to government policy, the Agency is responsible for providing a full range of high quality legal services, on a cost recovery basis, to its clients, namely the Province of Manitoba, the province's agencies, boards and commissions and some Crown organizations.

Effective April 1, 1995, the Agency was designated as a Special Operating Agency pursuant to The Special Operating Agencies Financing Authority Act, Cap. s185, C.C.S.M. and operates under a charter approved by the Lieutenant Governor in Council.

The Agency is financed through the Special Operating Agencies Financing Authority (SOAFA). The Financing Authority has the mandate to hold and acquire assets required for and resulting from Agency operations. It finances the Agency through repayable loans and working capital advances. The financial framework provides increased management authority which, coupled with more rigorous planning and reporting requirements afforded by Special Operating status, assists the Agency to sustain the provision of high quality legal services to its clients.

A Management Agreement between the Financing Authority and the Minister of Justice assigns responsibility to the Agency to manage and account for the Agency related assets and operations on behalf of the Financing Authority.

The Agency continues to be part of Manitoba Justice under the general direction of the Deputy Minister and Minister.

The Agency remains bound by relevant legislation and regulations. It is also bound by administrative policy except where specific exemptions have been provided for in its charter in order to meet business objectives.

The Agency is economically dependent on the Province of Manitoba because it derives most of its revenue from the Province and all of its financing requirements through the Financing Authority.

2. Change in accounting policies

Significant accounting changes

No significant accounting changes were effective for the Agency in the 2010/11 year.

Future accounting changes

The agency will adopt Public Sector Accounting Standards (PSAS) issued by the Public Sector Accounting Board effective April 1, 2011. The Agency is currently in the process of assessing the impact of the adoption of PSAS on its financial statements.

3. Summary of significant accounting policies

Basis of Reporting: The financial statements have been prepared in accordance with Canadian generally accepted accounting principles. The significant accounting policies are summarized as follows:

3. Summary of significant accounting policies (continued)

Capital assets: Capital assets are recorded at cost and are amortized over their estimated useful lives as follows:

| | |
|---------------------------------|---|
| Computer Equipment and Software | 20% straight line (10% in year of acquisition) |
| Furniture and Fixtures | 20% straight line (10% in year of acquisition) |
| Leasehold Improvements | 20% straight line (10% in year of acquisition) |

Revenue recognition

The percentage of completion method of accounting is used, whereby revenue is recognized proportionately with the degree of completion of the legal services provided.

Capital disclosures

The Agency's capital management policy is to maintain sufficient capital to meet its objectives through its retained earnings by managing transfers of surplus funds to the Province of Manitoba; meet short-term capital needs with working capital advances from the Province of Manitoba; and meet long-term capital needs through long-term debt with the Province of Manitoba. There were no changes in the Agency's approach to capital management during the period. The Agency's capital consists of retained earnings provided from operations and special purpose reserve funds allocated from retained earnings.

The Agency is not subject to externally imposed capital requirements.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Summary of significant accounting policies (continued)

Financial instruments - recognition and measurement

Financial assets and liabilities are initially recorded at fair value. Measurement in subsequent periods depends on the financial instrument's classification. Financial instruments are classified into one of the following five categories: held for trading; available for sale; held to maturity; loans and receivables; and other financial liabilities. All financial instruments classified as held for trading or available for sale are subsequently measured at fair value with any change in fair value recorded in net earnings and other comprehensive income, respectively. All other financial instruments are subsequently measured at amortized cost.

The financial assets and liabilities of the Agency are classified and measured as follows:

| <u>Financial instrument</u> | <u>Category</u> | <u>Measurement</u> |
|-------------------------------|-----------------------------|--------------------|
| Cash and short term deposits | Held-for-trading | Fair value |
| Accounts receivable | Loans and receivables | Amortized cost |
| Long term investments | Held-for-trading | Fair value |
| Accounts payable and accrued | Other financial liabilities | Amortized cost |
| Accrued vacation entitlements | Other financial liabilities | Amortized cost |

Amortized cost is determined using the effective interest rate and method.

Gains and losses on financial instruments subsequently measured at amortized cost are recognized in the statement of income, comprehensive income and retained earnings in the period the gain or loss occurs. Changes in fair value on financial instruments classified as held for trading are recognized in the statement of income, comprehensive income and retained earnings for the current period. Changes in fair value on financial instruments classified as available for sale would be recorded in other comprehensive income until realized, at which time they would be recorded in the statement of income, comprehensive income and retained earnings.

Fair value of financial instruments

The fair values of accounts receivable, accounts payable and accrued and accrued vacation entitlements approximates their carrying values due to their short-term maturity.

4. Financing arrangements

The Special Operating Agencies Financing Authority has provided the Agency with an authorized line of working capital of \$200 of which \$nil was used at March 31, 2011.

5. Long term investments

The Province of Manitoba accepted responsibility for the vacation entitlements earned by the employees of the Agency prior to its designation as SOA, and the severance pay benefits accumulated to March 31, 1998 for certain of the Agency's employees. Accordingly, the Agency recorded a receivable of \$380 from the Province of Manitoba for these accumulated benefits. Effective March 31, 2009 the Province of Manitoba paid the receivable balances related to the funding for these liabilities and has placed the amount of \$380 into a trust account bearing interest at 1.25% and maturing on March 30, 2012 to be held on the Agency's behalf until the cash is required to discharge the related liabilities. As such, this amount has been classified as a long term asset.

6. Capital assets

| | Cost | Accumulated amortization | Net book value | |
|---------------------------------|---------------|-----------------------------|----------------|--------------|
| | | | 2011 | 2010 |
| Computer Equipment and Software | \$ 162 | \$ 141 | \$ 21 | \$ 27 |
| Furniture and Fixtures | 274 | 249 | 25 | 36 |
| Leasehold Improvements | 77 | 63 | 14 | 19 |
| | \$ 513 | \$ 453 | \$ 60 | \$ 82 |

7. Severance liability

Effective April 1, 1998, the Agency began recording accumulated severance pay benefits for its employees. The amount of severance pay obligations is based on actuarial calculations. The periodic actuarial valuations of these liabilities may determine that adjustments are needed to the actuarial calculations when actual experience is different from that expected and/or because of changes in actuarial assumptions used. The resulting actuarial gains or losses are amortized over the expected average remaining service life of the related employee group.

An actuarial report was completed for the severance pay liability as of March 31, 2008. The report provides a formula to update the liability on an annual basis. In accordance with the formula, the Agency's actuarially determined net liability for accounting purposes as at March 31, 2011 was \$835 (2010 - \$744), with the actuarial loss being amortized over the 15 year expected average remaining service life of the employee group.

Significant long-term actuarial assumptions used in the March 31, 2008 valuation, and in the determination of the March 31, 2011 present value of the accrued severance benefit obligation were:

| | |
|--------------------------------|-------|
| Annual rate of return | |
| inflation component | 2.50% |
| real rate of return | 4.00% |
| | 6.50% |
| Assumed salary increase rates | |

8. Pension benefits

Employees of the Agency are eligible for pension benefits in accordance with the provisions of the Civil Service Superannuation Act (CSSA), administered by the Civil Service Superannuation Board (CSSB). The CSSA established a defined benefit plan to provide benefits to employees of the Manitoba Civil Service and to participating agencies of the Government, including the Agency, through the Civil Service Superannuation Fund (CSSF).

Effective March 31, 2001, pursuant to an agreement with the Province of Manitoba, the Agency transferred to the Province the pension liability for its employees.

Commencing April 1, 2001, the Agency was required to pay to the Province an amount equal to its employees' current pension contributions. The amount paid for 2011 was \$320 (2010 - \$328). Under this agreement the Agency has no further pension liability.

9. Lease commitments

The Agency has not entered into a lease agreement with the Province of Manitoba for rental facilities at 405 Broadway. Occupancy charges for the year ending March 30, 2012 are estimated to be \$218.

10. Financial instruments - risk management

In the normal course of operations the Agency is exposed to various financial risks. The financial risk management objectives and policies are as follows:

Credit risk

Credit risk is the risk that one party to a financial instrument fails to discharge an obligation and causes financial loss to another party. Financial instruments which potentially subject the Agency to credit risk consist principally of cash and short term deposits, accounts receivable and long term investments.

The maximum exposure of the Agency to credit risk at March 31, 2011 is:

| | | |
|------------------------------|----|-------|
| Cash and short term deposits | \$ | 1,118 |
| Accounts receivable | | 721 |
| Long term investments | | 380 |
| | \$ | 2,219 |

Cash and short term deposits and long term investments: The Agency is not exposed to significant credit risk as the cash and term deposits are primarily held by the Minister of Finance.

Accounts receivable: The Agency is not exposed to significant credit risk as the nature of the accounts receivable is with related entities and consists of a large client base and payment in full is typically collected when it is due. The Agency establishes an allowance for doubtful accounts that represents its estimate of potential credit losses. The allowance for doubtful accounts is based on management's estimates and assumptions regarding current market conditions, customer analysis and historical payment trends. These factors are considered when determining whether past due accounts are allowed for or written off. The balance in the allowance for doubtful accounts at March 31, 2011 was \$nil (2010 - \$nil).

10. Financial instruments - risk management (continued)

Liquidity risk

Liquidity risk is the risk that the Agency will not be able to meet its financial obligations as they come due.

The Agency manages liquidity risk by maintaining adequate cash balances and by review from the Province of Manitoba to ensure adequate funding will be received to meet the obligations.

Market risk

Market risk is the risk that changes in market prices, such as interest rates and foreign exchange rates, will affect the Agency's income or the fair values of its financial instruments. The significant market risk the Agency is exposed to is interest rate risk.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The interest rate exposure relates to short term deposits.

The interest rate risk on short term deposits is considered to be low because of their short-term nature.
